CIRCULAR

Dear SCBA Members,

As you well know, lawyers across the world face enormous stress. Our members at the Supreme Court also work in a high-stress environment. Each one of us, by habit or due to the competitive environment, over-extend ourselves for clients but tend to overlook our own well-being.

To address this important issue, LAWASIA has arranged a webinar which is **open to non-LAWASIA members** as well.

I enclose a flyer with hyperlinks so that members, particularly young lawyers can register and obtain insights on coping mechanisms and how to improve health and general well-being.

Registration is free but it is necessary to register in advance.
